PAYNE'S PATENT CHURN

HAM PH VAN TH BE 'ONE OF THEM." This is without doubt the best Churn ever used, and is warranted to make Butter in from three to ten minutes, and make more and better Butter from the same quantity and quality of Milk than any other possible Churn.

It is also simple and strong in construc-tion and not liable to get out of repair. It is specially durable and desirable, because it is made with cooperage and from the best quality of RID CEDAR, and hence excels all worthless Churns made from planks, that fall to pieces when properly scalded and sunned;

MANHOOD: HOW LOST, HOW RESTORED.

Just published, a new edition of Dr. Culverweell's Celebratest Essay on the radical cure (without medical) of Spermatoriners, or Semina weakness, Involuntary Seminal Losses. Importance, Mental and Physical Incapacity, Impediments to Marriage, etc., also, Consumption, articiper, and Firs, induced by self indulged o or examile xeravagance. Price, in a sealed envelope, only 6

The celebrated author, in this admirable essay, clearly denometrates from a thirty years' successful practice, that the alarming come quences of self-abone may be radically cured without the dangerous use of in-ternal medicine or the application of the knife; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, can cure himself chesply, privately and radically.

This Letter should be in the hands
